

## NOTICE TO NOVICE EXHIBITORS

You must change your entry from Novice A to Novice B once your dog earns its first title in any class. Note that this is NOT considered a move-up but rather an entry change.

However you may make this change **ONLY** if trial entries have not closed. If trial entries have closed, you will remain in the class you originally entered. Remember - once a trial has closed, you cannot change your Novice entry. Even if you elect to submit a move-up to Open for the class in which you received your first Novice title, you will remain in Novice A in the remaining class(es) *if* entries have closed.

### SPECIAL NOTE ON JUMP HEIGHT CARDS – PLEASE READ!

All agility dogs are required to have an Official Jump Height Card/Valid yellow form and exhibitors must be able to present it prior to running their dog(s) in any class or at any time during the trial upon request whether or not they have sent a copy of such with their entry. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured or wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### ONLINE ENTRIES

The Trial Secretary **does not** accept electronically-submitted entries from any online entry system. Entries filled out using an online entry system must be printed and mailed to the Trial Secretary's post office address supplied elsewhere in this premium.

### OBSTACLES

All obstacles used conform to the requirements in the most current issue of the AKC Rules and Regulations Applying to Agility.

### ENTRY CONFIRMATIONS & JUDGING PROGRAMS

An initial email confirmation is sent only if the email address is *legibly printed* on the entry form. If you cannot receive a Microsoft Word text file, or if you do not check your email, do NOT include your email address. Printed confirmations and Judging Programs are mailed to exhibitors without email addresses. Please contact the Trial Secretary by phone or email to report any errors. **Correct AKC registration # or ILP # is crucial.**

**NOTE:** If you have a spam filter in place on your email account, please add the trial secretary's email address to your accepted address list. If you prefer NOT to add the address, then do **NOT** provide an email address; your confirmation will be mailed.

The final confirmation and Judging Program are emailed or mailed to those without email to the owner's email/postal address. If you want this information sent to the handler (if different from owner), please specify on your entry and provide the correct email address. If any exhibitor does not receive the Judging Program within five (5) days of the trial, please contact the Trial Secretary.

### HEIGHT DIVISIONS

Owners are responsible for entering the proper height division. Exhibitors may choose to enter their dogs in a higher height division than required by AKC, but not in a height division lower than the AKC mandated height. Dogs in the Preferred Classes **MUST** jump their preferred class jump height. They may not enter in a higher jump class.
